

## Fakultät für Mathematik

### Faculty of Mathematics, University of Vienna

#### 1 Postdoc position

Applications are invited for a postdoctoral fellowship in  
**Geometric group theory.**

Research keywords: Gromov's hyperbolic groups, relatively and lacunary hyperbolic groups, residually finite groups, coarse amenability and coarse embeddings, random groups, sofic and hyperlinear groups, expander graphs.

The position is available for 1 semester starting on March 1st, 2018 or October 1st, 2018. There is no teaching load. Applicants for the postdoc position should demonstrate excellent research record in Geometric group theory.

Applications (including curriculum vitae, list of publications, a research plan, names of at least two references with their e-mail addresses) must be sent by email in PDF format to [goulnara.arzhantseva@univie.ac.at](mailto:goulnara.arzhantseva@univie.ac.at) by **January 20th, 2018**.

**Please note** that due to the large number of applications we usually receive, only shortlisted candidates will be contacted.
